

Green Lake Plaza & Shade Garden

Esplanade: Existing sidewalks are too close to the trees and damaged from roots. Remove 2 Sidewalks from Edges and install 1 in center.

Green Lake Plaza & Shade Garden

Pool Wall: This is a blank wall even with the nice plantings. Add architectural feature, a small plaza in front of it and new plantings.

Green Lake Plaza & Shade Garden

Plaza: Existing plaza is not well used and is well suited for gathering area. Remove portions of the railings and add steps down to the walkways. Redesign dumpster area to accommodate coffee cart.

Green Lake Plaza & Shade Garden

Picnic Tables: Relocate picnic table along a walkway between the play area and trees.

Green Lake Plaza & Shade Garden

Entry: Existing entry to the esplanade is less used because of the crosswalk at Starbucks intersection. Make minor enhancements the entry to the esplanade.

Green Lake Plaza & Shade Garden

Picnic Benches: Several existing benches are not on concrete pads and conflict with tree roots. Remove some of existing benches located around south side of playground.

Green Lake Plaza & Shade Garden

Hearthstone Site: A number of people at the first two meetings suggested a passive gathering are (several benches) across from the Hearthstone.
